

elemental paviers

Elemental natural stone block paving comes in five colours and three complementary sizes. Charcoal is a dolomitic limestone with a lightly riven, tumbled texture, while Chestnut, Walnut, Beech and Willow are smooth cut, tumbled sandstones. Kerbs and both internal and external corner kerbs complete the natural stone theme.

Beech and Willow with Beech Kerb **new**

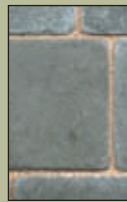

Walnut with Chestnut Kerb

elemental paviors Colour options • Charcoal • Chestnut (Ct) • Walnut • Beech (B) • Willow
