

ryton & stretton

Ryton and Stretton are both utility pavings for use where cost is a major consideration. Ryton has a riven profile while Stretton has a lightly stippled top face which is slip resistant. Both are ideal for utility areas, shed bases or wherever a budget, non decorative paving is required.

Colour options • Grey • Buff

sizes (mm)	m ² per pack	no. per pack	weight/kg per pack
Ryton 450 x 450 x 32	12.2	60	870
Stretton 450 x 450 x 32	12.2	60	870

As Ryton and Stretton are usually laid with minimal joints the size quoted is the actual dimension

lanark walling

Fully frost resistant, Lanark Walling Bricks are manufactured from high-strength concrete and represent excellent value for money. Available in two blended colours, they boast an attractive, time-worn texture. To complement the bricks, our high-quality Lanark Walling Peaked Copings and Pyramid Pier Caps have a beautifully smooth finish and come in several sizes to suit most new and existing walls.
